Creekside Charter Management will ensure that children and youth who are homeless are free from discrimination, segregation, and harassment.

This policy is also available at www.creeksidesquaw.org

Definitions

Children and youth experiencing homelessness means children and youth who are otherwise legally entitled to or eligible for a free public education and who lack a fixed, regular, and adequate nighttime residence, including:

- Children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, campgrounds, or trailer parks due to a lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting placement in foster care.
- Children and youth who have a primary nighttime residence that is a private or public place not designed for or ordinarily used as a regular sleeping accommodation for human beings.
- Children and youth who are living in a car, park, public space, abandoned building, substandard housing, bus or train station, or similar setting.

A child or youth will be considered to be homeless for as long as he or she is in a living situation described above.
