

Handwriting Without Tears

Millions of students all over the world use Handwriting Without Tears curriculum. Their easy-to-teach, easy-to-learn curriculum makes handwriting mastery joyful for students and our teachers.

Research supports the active teaching of handwriting. Recent findings demonstrate that writing by hand improves creative writing skills and fine motor skills. In fact, elementary students have been found to write more and faster by hand than when keyboarding.

And with the adoption of the Common Core State Standards, the emphasis and expectations placed on classroom note-taking and expository writing in grades K–5 is greater than ever.
